Vision

Continue developing young Marines

Continue CDD/POI refinements

Re-work FTX and MPO package IOT meet needs of the FMF

Serve as Marine MP liaison with USAMPS

Develop Co-Located course as needed

Evaluate and pursue all forms of training enhancement

Provide SME input on all MP related issues

Vision

- **Build upon the *New* Marine Unique CDD/POI**
  - Incorporate Non-lethal into FTX and Range evolution
  - Validate certain ITS for Core Plus
  - Develop ITS for PPCT, Weapons Demo, NVGs, MAGTF missions

- **Over come short falls in the ITRO curriculum**
  - Validate how much ITRO the USMC MPs really need?
    - Current cost is much higher than the benefit
  - Re-think/Re-design the entire FTX/MOUT/Civil Disturbance package
  - Need to introduce Crew Serve Weapons familiarization back into the curriculum
  - Need to change the focus of instructing law enforcement forms
  - Need to establish block testing with quantitative measures of mastery; every block of instruction needs to quantified

Vision

- Continue transforming/ preparing MPs for duty with the MAGTF
  - Marine MP Doctrine has changed FM 3-5 to MCWP 3-34.1
    - Tremendous focus on MAGTF missions
      - Peacekeeping, AT/FP, MOOTW
      - Expeditionary in every aspect
  - Marine MP Battalions begin stand up in FY02
  - **MP School training must support new Doctrine and Structure!!**

Train Your Marines Ruthlessly…. Don't Love Them to Death!!
